Pastoral Insights by Pastor Barry

As we have already passed by Thanksgiving Day and now launch into Advent, I am still so uplifted by the evidence of God's hand bringing us along as a church to partner in specific ways to reach the unreached. I am full of gratitude to God for helping us honor him as we endeavor to fulfill the "Great Commission!" The specific words are "make disciples of all nations." (Matthew 28:19) and also Acts 1:8, "to the ends of the earth." Friends, we are intentionally and specifically partnering with brothers and sisters in an UPG = Unreached People Group which is the word nation, ta ethne group, who have little to no chance to hear about Jesus.

Our partners in Indonesia are interacting with Muslims who know little and misunderstand a lot about Jesus. It is 97% Muslim in Tasik with people like Roy and Alfredo, our partners, pointing Muslim people to Jesus everyday. Plus, a strong team of believers is growing in Central Asia with ministry to young people and a retreat center soon to be built. We send financial support every month to each of our partners and consistently pray for them. In each unreached place I have mentioned, I want you to know that God is moving. There are more house churches every month in Indonesia, West Java. The team in Central Asia has grown from 15 to 49 commissioned believers sharing the message of Christ day after day. Praise God for a marvelous 2024 as we have had a significant role in reaching the unreached.

Prayer Requests

Central Asia - From our representative...

Pray...

...specifically for the fundraising they are doing for the new retreat center and for the mission trips that are being planned for next summer.

...for all those in-country and for the short-term mission teams who will be going over to help with outreach and building.

Kenya - Amani Fellowship

I am just amazed at the way God is opening and clearly closing doors on the direction of our missions trip this spring. Our God is so intimately and precisely involved in our lives that I can't help but adore Him for it. Our dates for the missions trip are set for Feb 21st thru March 5th in Kenya plus a few days just for the travel. We have a tentative agenda to work with the orphans, widows, churches, and prisoners. We should be finalizing the total team within a week or so as I still have a couple tentative members but so far we have the **Parsons'** and the **Kessler's** joining me as a team.

- ◇ Pray for the coordination we need with our AF Kenyan Board Team, the mentors, the schools, the churches, prison chaplains, Inductive Bible Study providers and all others we need to work in conjunction to accomplish the best and most God has for us all.
- ◇ Pray that God continues to provide the various needs each team member must accomplish before departure. Funds, vaccines/medicines, travel visa's, safe travels, health, accommodations and transportation, the list is so long but we trust our great God for He has a plan.

I know He hears every prayer of those who are unable to go but willing to support us in prayer! Oh, my great hope that everyone is drawn closer to God in such a profound and personal way. That we can see the glory of our great God and boast in Him uncontrollably!

Our team thanks you all for your various forms of support.
