

## Mission Possible

We have reached an important place in our study of Colossians. The Apostle Paul truly highlights our mission in the passage today!

### Colossians 4:2-6

PCS = permanent change of station (military)

\* **Prayer** - the first thing

Connection to others begins with prayer.

Devote → “to be strong”

It changes us; it changes outcomes

This could be described as a lifestyle!

\* **Care** - the measure of concern

The importance of our response to people

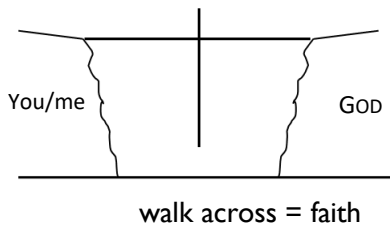

“buy up the time”

What’s your flavor? pleasant, winsome, witty . . .

\* **Share** - the mystery of Christ

The secret is unveiled through you and me.

1 Peter 3:15 = gentleness and respect

“if you choose to accept it”

### Reflective Questions:

- 1) How did you come to Christ? Who were the people that God used in your life so that you wanted to receive Jesus as Savior?
- 2) What does the paragraph teach you about being the person God wants to use to help others come to Christ?
- 3) Who might God be asking you to pray for, care about, and share the message of Christ?
